★ SAFETY COMMITMENT ★

Our top priority is the safety and well-being of our team members, our guests, and our community. To keep all of us safe, we have implemented new health & safety protocols.

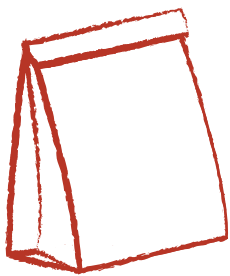

DINE-IN EXPERIENCE

We offer both single use menus and contact-less QR code menus. Located at each exit are hand sanitizer stations for customer use.

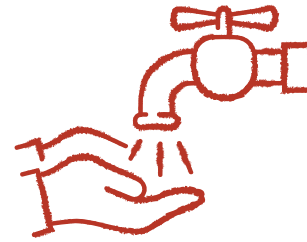

WELLNESS CHECKS

We screen all staff and vendors before they start their work shift. Sick employees stay home.

TO GO

We offer pickup and delivery. Our pickup station has systems in place for social distancing while in line.

FREQUENT HANDWASHING

We follow strict and thorough handwashing guidelines issued by the FDA and CDC.

REQUIRED SAFETY EQUIPMENT

Team members are required to wear face masks. While not seated, guests are required to wear a mask.

SANITIZATION

We clean and sanitize all surfaces, paying extra attention to take out counters, doorknobs, push bars and takeout menus.
