

DINOSAUR BAR-B-QUE

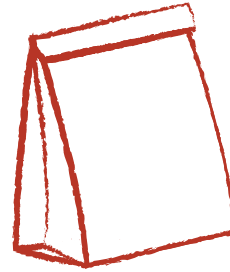

★ SAFETY COMMITMENT ★

Our top priority is the safety and well-being of our team members, our guests, and our community. To keep all of us safe, we have implemented new health & safety protocols.

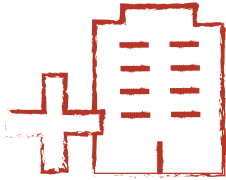

WELLNESS CHECKS

We screen all staff and vendors before they start their work shift. Sick employees stay home.

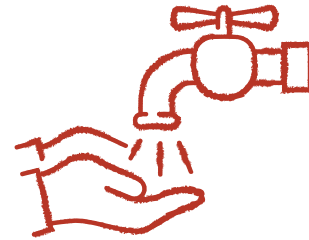

DINING EXPERIENCE

Staff will assemble plates for you; there is no self-serve plating. Individual packaged meals for catering are available upon request.

SITE VISITS

We will schedule site visits for Full Service and Drop-Off with Servers to discuss safety plans and logistics for the event.

FREQUENT HANDWASHING

We follow strict and thorough handwashing guidelines issued by the FDA and CDC.

SANITIZATION

We clean and sanitize all surfaces, paying extra attention to high touch point services. Catering vehicles are disinfected daily and between events.

SAFETY EQUIPMENT

Team members are required to wear face masks and wear gloves. We require gloves to be changed at least every 30 minutes. Plexiglass barriers will be present for any service where catering staff is present.
